7. Results

- ◇ It welcomed participants from Manila for the first time.
- ◇ Other than the members from foreign countries, it welcomed many participants from the Bureau of Environment and Headquarters of the Governor of Tokyo, as well as from Toshima City and Shinjuku City. It offered opportunities to share information and exchange discussions on current waste treatment of each local government and observe activities of the local governments and private companies.
- ◇ It offered opportunities for many officials of Tokyo Metropolitan Government to communicate with the participants from other countries.
